

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### **Usage guidelines**

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

## INTRODUCTION.

---

THE Register of the Parish of Long Burton, from its commencement in 1589 to the introduction of the new forms of books in 1812, is contained in six volumes, differing from one another in size, material, or condition. They are as follows:—

Vol. I.—A narrow volume of parchment of 27 leaves, exclusive of the cover, measuring 18in. by 8in., and entitled “The Register booke of the Parish of Long Burton for Christenings, Weddings and Burialls, from the yeare of our Lord God, 1589, Beginning the first yeare of Tho: Clerke his being Vicar there.” It contains Baptisms 18 May, 1590, to 7 May, 1699; Marriages, 13 May, 1589, to 28 Sept., 1697; and Burials, 5 May, 1589, to 8 Dec., 1697. There are also two Baptisms entered irregularly, in 1704 and 1708, the latter being repeated in the next volume. The contents of a portion of this book is a transcript made in 1634 of another register, as the last entry in the set hand terminates on June 3rd in that year. From 1646 it is badly kept, with many evident omissions. An entry of Baptism has been cut out of the 11th folio, destroying part of the years 1687 and 1691.

Vol. II.—A small square paper volume of 49 leaves, in a limp parchment cover, and measuring 6in. by 7½in. It is entitled “The Register Book of the Parish of Long Burton for all those that are born, married, or deceased since the Act of Parliament, Entituled an Act of certain dutys to be paid at the Births, marriages, and burialls, of all w<sup>th</sup>in the Parish, except such as receive Alms; to continue

for five years from the first of April, in the year 1695." This book contains Baptisms 26 July, 1696, to 1 Nov., 1773; Marriages, May, 1697, to 6 July, 1755; and Burials, 27 Oct., 1696, to 20 Jan., 1774.

Vol. III.—A small square paper volume of the same size as Vol. II but thicker, entitled "A Register for the Burials and affidavits belonging to the Parish of Long Burton, Dorsett," in a stiff parchment cover, containing a few entries of Briefs and Collections, followed by 33 pages of Burials and affidavits, the first entry occurring on 18 July, 1725, and the last on 24 Jan., 1766. This for the most part overlaps the Burials registered in Vol. II, but contains a few not therein entered. In Vol. II, however, the entries give as a rule more full particulars. The Briefs noted in Vol. III are a few of those entered in the "Register of Briefs," and consist of (1) Receipts given by the Collector for the sums gathered in Long Burton between 22 June, 1708, and 13 Nov., 1716. (2) A list of the parishioners who contributed to nine Briefs, together with the sums they gave, viz.: 4 Dec., 1709, for the Relief of the Palatines; 31 Oct., 1711, for Repair of Woolwich Church; 9 June, 1712, for Repair of Whitchurch, Salop; 27 May, 1713, for Repair of Church of Burton upon Trent; 5 Nov., 1712, for Repair of Battle Bridge in St. Olave's, Southwark; 7 July, 1713, for Repair of Southwell Church; 5 Nov., 1714, for Relief of William Bowyer of Whitefriars, London; 9 Aug., 1715, for Relief of Cow-keepers in Middlesex, Surrey, and Essex; and 9 Feb., 1716, for the Reformed Episcopall Churches in Great Poland and Polish Russia, and for a fire at Houndsditch, London.

Vol. IV.—A folio paper Register, in a parchment cover, with printed Title-page and lines for registration of Banns and Marriages, beginning with a publication of Banns on 9 May, 1756, and ending 28 May, 1812, pp. 48. The marriages between 1783 and 1795 are registered in the next volumes.

Vol. V.—This is composed of a quantity of forms stitched together for the registration of Baptisms, 5 Jan., 1784, to 23 Oct., 1796; Marriages, 20 Oct., 1783, to 27 Sept., 1795; and Burials, 26 Oct., 1783, to 22 Dec., 1803. There are eight leaves of forms for Marriages, bearing thirty-two embossed threepenny stamps, and twelve leaves for Baptisms and Burials, bearing seventy-two stamps. On a fly-leaf is written: "Long Burton, Dorset, October 16, 1783. At a Vestry Meeting this day held by the

Parish Officers and principal Inhabitants, it is agreed, That this Book of stamped Paper be used as a common Register Book of the Parish. Witness our Hands. Wm. Sharpe, Vicar, Wm. Swetman, Churchwarden, Henry Notley, Overseer, Jno. Thorne, John Bridle. Note, this Book contains Seventy-Two threepenny-stamps for Baptisms and Burials, and Sixteen \* for Marriages."

Vol. VI.—A large quarto paper Book, in pasteboard cover, measuring 9in. by 11½in., containing Births, Baptisms, and Burials, 4 Dec., 1773, to 28 Sept., 1783, occupying 10 pages of the volume. Then follows a memorandum: "N.B. From this time consult a distinct and separate Register Book, made of Stamped Paper,† according to an Act of Parliament in that behalf made this present year, 1783." Vol. VI is entitled "Register Book of the Parish of Long Burton, for Births, Baptisms, and Burials, commencing Dec. 4, 1773."

On page 11 occurs the following important notification: "This memorandum is to shew that in the year 1826, when a minute examination was made, no Book or Books could be found in which were registered the Baptisms and Burials solemnized in Long Burton, since those contained in the Book referred to in the preceding page of *this Book*, which do not come down to a later period than 1796, but in the Register Books since 1813 loose papers were found on which were written, in an irregular and careless manner as to the time of their solemnization, the Baptisms and Burials in Long Burton, beginning about 1800 and ending in 1812. From the insecure manner in which the above-mentioned Papers must have been preserved, many of them containing the important and useful records of Baptisms and Burials must have been lost, as those which are extant at present cannot, from the population of the Parish, which has been increasing since the commencement of the present century, contain more than half of the Baptisms and Burials which must have been solemnized. To prevent, however, further loss the writer of this has arranged regularly and chronologically all the Baptisms and Burials that the above-named Papers contained, and has entered them on the following Pages of this Book. Geo. Stone, Vicar of Long Burton cum Holnest. January 31st, 1827." The entries copied into this Book by the Rev. George Stone range from 31 Dec., 1797, to 19 Oct., 1812.

---

\* There are *thirty-two*. Additional Forms may have been added subsequently.

† Referring to Vol. V.

The "loose papers" mentioned in the foregoing memorandum are leaves torn from a small quarto Register Book. What circumstances occasioned the destruction of this book cannot now be discovered.

The lacking entries throughout the six volumes have been supplied from the transcripts in the Decanal Registry at Salisbury, and are here printed in *italic type*.

In addition to the foregoing books a small quarto volume, of the same size as Vol. III, is entitled "A Book for Registering Collections on Briefs w<sup>th</sup>in the Parish of Long Burton in ye County of Dorset." It commences on 27 January, 1706-7, and continues till 6 July, 1783, when a break occurs, and no entries are made till 1791, when they cease altogether. The entries relate to 664 separate Briefs.\*

## LIST OF VICARS.

---

The following list of Vicars has been compiled by the Rev. C. H. Mayo from the Dean's Registers at Salisbury, with additions from the Oxford Matriculation Register, furnished by the late Col. Chester in his lifetime, and other sources.

STEPHEN TURGES, or Turgis, occurs in a composition between the Abbot of Sherborne and the Vicar of Long Burton and Holnest, 5 April, 1405. He appeared at a Visitation of the Dean of Sarum,\* held at Sherborne 13 Oct., in a year not specified.

THOMAS HAMME appeared at the Visitation of the Dean of Sarum, held at Sherborne 24 July, 1405, and at another Visitation in 1408.

JOHN FREND occurs in the memoranda of a Visitation held in 1480. (See *Miscellanea et Statuta Quoad Sarum.*)

WALTER HAYES is named as Vicar in the return of the Commissioners as to Church Goods, *temp.* Edw. VI, and occurs as "Walterus Hay" in the *Valor Ecclesiasticus*, 1534-5.

WILLIAM WIKES occurs as witness to the will of John Payne of Longeburton, 6 March, 1571 (Dean of Sarum's Court), and as "William Wykes, Vicar of Burton," to the will of Thomas Padnor, of Long Burton, 26 July, 1581 (P.C.C. 41 Darcy). "Alice Weekes, sometimes the wife of Willia' Weekes, Vicar of Burton," buried Dec., 1605. (L. B. Register.)

WILLIAM HUNTE, presented by the Lord Chancellor 20 July, 1587. (*Lansdowne MS.* 444.) [N.B.—Hutchins inserts the name of "John Webb, on the resignation of Hunt, inst. 18 April, 1589." This is probably a mistake. His name does not occur in the Dean's Register, but a John Webb was inst<sup>d</sup> to the Rectory of Melbury Osmond, 1579, and was buried there 15 Jany., 1592-3.]

THOMAS CLARKE, presented by the Lord Chancellor 11 April, 1589, on the resignation of the last Incumbent. (*Lansdowne MS.* 444.) Instituted 17 April, 1589, on the resignation of Hunt. Buried 23 Dec., 1617.

HENRY HARTWELL, of Somerset (neighbourhood of Yeovil), grandson of William Hartwell. Oriol Coll. matric. 18 June, 1610, aged 20. Vicar of Long Burton 18 Jany., 1617, on pres. of John Fitzjames. His mother, "Mrs. Hartwell, widow," buried at L. B. 20 June, 1636. Rector of Holwell, 1632. Buried there 1 June, 1671, and Mrs. Frances Hartwell, widow, 5 Nov., 1674. His will proved 10 July, 1671 (92 Duke, P.C.C.), and her will 12 Feb., 1674 (15 Dycer).
